

Continuous Professional Development

Marvellous Minds is committed to developing all of its employed and associate staff and commits to continuous professional development and life long learning. Marvellous Minds will ensure that:

- there is a proper induction for all new team members
- all the team have the opportunity to learn in the workplace from others, as appropriate
- associate staff are required to maintain and update their own professional knowledge
- appropriate work experience and work shadowing opportunities are provided
- regular CPD opportunities are offered in technical and wider skills
